

Introductory Organic Chemistry II
Professor Doctor Harinath Chakrapani
Indian Institute of Science Education and Research, Pune
Module 08
Lecture 61
Conclusion

Hello everyone, so with this we come to the end of this course, I hope you have enjoyed it. We did put in a lot of effort to come up with problems so that you can understand concepts better. I strongly believe that this is the best way to learn organic chemistry or for that matter various aspects of chemistry. So, I really hope you enjoyed this course and you will benefit from it in future, bye bye.
